

**PLEDGE OF COMMITMENT TO BEST PRACTICES FOR GENDER EQUITY**

The employer, \_\_\_\_\_ of \_\_\_\_\_, CT, having reviewed the Best Practices for Gender Equity proposed for all employers of attorneys in Connecticut, commits to the promotion of these Best Practices within its workplace.

We understand that the Connecticut Bar Association Women in the Law Committee is available to assist us in realizing the goals of these Best Practices and in developing strategies to achieve the goals. We agree to biennially file our written plan for achieving the Best Practices with the CBA Women in the Law Committee. We also commit to having representatives of our organization attend a biennial program regarding the purposes and goals of these Best Practices and strategies for their attainment.

We also understand that if a complaint about our organization is made concerning any issue addressed in the Best Practices, we will work collaboratively with the Women in the Law Committee to address any shortfalls in our efforts to achieve the Best Practices (all of which will occur in a privileged environment as detailed in the Best Practices Program).

Upon our subscription to the Best Practices Program for Gender Equity, the Connecticut Bar Association Women in the Law Committee will post our participation in a public manner. Similarly, we may hold ourselves out as a subscribing employer that has committed to the Pledge of Gender Equity in our workplace for our attorneys.

On behalf of \_\_\_\_\_, I am authorized to pledge our commitment to the Best Practices Program for Gender Equity.
