Will you be a CT high school student in the 2023-24 school year?

Have you ever wondered what it's like to be a lawyer?

Are you interested in learning more about the law?

If you answered yes to these questions, apply to CBA LAW Camp!

LAW Camp is a one-week virtual summer camp sponsored by the Connecticut Bar Association's Diversity, Equity, and Inclusion Committee. LAW Camp offers high school students a unique opportunity to learn about the legal profession and develop critical and analytical thinking skills. During the week-long day camp, attendees will hear from practicing lawyers or judges, observe court proceedings, receive advocacy training, and participate in mock court exercises.

The CBA provides LAW Camp as a community service program. There are a limited number of spots available. If more applications are received than spots available, preference may be given to students from communities that are traditionally underrepresented in the legal profession or who do not have financial resources available to pay for private summer camp. There is no cost to attend LAW Camp.

Applications are available at ctbar.org/public/k-12/law-camp.
