RE: Request for Comment on Practice Book Section 3-8 Amendment

Dear Justice McDonald:

Thank you for forwarding the P.B. Section 3-8 proposed rule changes for comment from the Connecticut Trial Lawyers Association. Upon review of the proposal and discussion with our rules committee, CTLA offers no substantive comments on the changes and would defer to the wisdom of your committee.

We sincerely appreciate receiving notice of the proposal and request for comment. We would welcome the opportunity to comment on other rules changes going forward.

Sincerely,

Lincoln Woodard
