

**Sec. 1-10B. Media Coverage of Court Proceedings; In General**

(a) The broadcasting, televising, recording or photographing by the media of court proceedings and trials in the Superior Court should be allowed subject to the limitations set out in this section and in Sections 1-11A through 1-11C, inclusive.

(b) No broadcasting, televising, recording or photographing of any of the following proceedings shall be permitted:

(1) Family relations matters as defined in General Statutes § 46b-1;

(3) Except as provided in subsection (q) of Section 1-11C, [P]proceedings involving sexual assault;

(4) Proceedings involving trade secrets;

(5) In jury trials, all proceedings held in the absence of the jury unless the trial court determines that such coverage does not create a risk to any party's rights or other fair trial risks under the circumstances;

(6) Proceedings which must be closed to the public to comply with the provisions of state law;

(7) Any proceeding that is not held in open court on the record.

(c) No broadcasting, televising, recording or photographic equipment permitted under these rules shall be operated during a recess in the trial.

(d) No broadcasting, televising, recording or photographing of conferences involving counsel and the trial judge at the bench or involving counsel and their clients shall be permitted.

(e) There shall be no broadcasting, televising, recording or photographing of the process of jury selection nor of any juror.

COMMENTARY—2014: The Judicial Branch may provide, at its discretion, within a court facility, a contemporaneous closed-circuit video transmission of any court proceeding for the benefit of media or other spectators, and such a transmission shall not be considered broadcasting or televising by the media under this rule.

COMMENTARY—2020: The changes to this section and to Section 1-11C permit the judicial authority to allow media coverage of a homicide case involving sexual assault provided the victim's family affirmatively consents to such coverage. If any member of the victim's family objects to such coverage or if the victim's family cannot be identified or located, the judicial authority should not allow such coverage.

**Sec. 1-11C. Media Coverage of Criminal Proceedings**

(a) Except as authorized by Section 1-11A regarding media coverage of arraignments, the broadcasting, televising, recording or photographing by media of criminal proceedings and trials in the Superior Court shall be allowed except as hereinafter precluded or limited and subject to the limitations set forth in Section 1-10B.

(b) Except as provided in subsection (q) of this section, [N]no broadcasting, televising, recording or photographing of trials or proceedings involving sexual offense charges shall be permitted.

(c) As used in this rule, the word “trial” in jury cases shall mean proceedings taking place after the jury has been sworn and in nonjury proceedings commencing with the swearing in of the first witness. “Criminal proceeding” shall mean any hearing or testimony, or any portion thereof, in open court and on the record except an arraignment subject to Section 1-11A.

(d) Unless good cause is shown, any media or pool representative seeking to broadcast, televise, record or photograph a criminal proceeding or trial shall, at least three days prior to the commencement of the proceeding or trial, submit a written notice of media coverage to the administrative judge of the judicial district where the proceeding is to be heard or the case is to be tried. A notice of media coverage submitted on behalf of a pool shall contain the name of each news organization seeking to participate in that pool. The administrative judge shall inform the judicial authority who will hear the proceeding or who will preside over the trial of the notice, and the judicial authority shall allow such coverage except as otherwise provided.

(e) Any party, attorney, witness or other interested person may object in advance of electronic coverage of a criminal proceeding or trial if there exists a substantial reason to believe that such coverage will undermine the legal rights of a party or will significantly compromise the safety of a witness or other person or impact significant privacy concerns. In the event that the media request camera coverage and, to the extent practicable, notice that an objection to the electronic coverage has been filed, the date, time and location of the hearing on such objection shall be posted on the Judicial Branch website. Any person, including the media, whose rights are at issue in considering whether to allow electronic coverage of the proceeding or trial, may participate in the hearing to determine whether to limit or preclude such coverage. When such objection is filed by any party, attorney, witness or other interested person, the burden of proving that electronic coverage of the criminal proceeding or trial should be limited or precluded shall be on the person who filed the objection.

(f) The judicial authority, in deciding whether to limit or preclude electronic coverage of a criminal proceeding or trial, shall consider all rights at issue and shall limit or preclude such coverage only if there exists a compelling reason to do so, there are no reasonable alternatives to such limitation or preclusion, and such limitation or preclusion is no broader than necessary to protect the compelling interest at issue.

(g) If the judicial authority has a substantial reason to believe that the electronic coverage of a criminal proceeding or trial will undermine the legal rights of a party or will significantly compromise the safety or privacy concerns of a party, witness or other interested person, and no party, attorney, witness or other interested person has objected to such coverage, the judicial authority shall schedule a hearing to consider limiting or precluding such

coverage. To the extent practicable, notice that the judicial authority is considering limiting or precluding electronic coverage of a criminal proceeding or trial, and the date, time and location of the hearing thereon shall be given to the parties and others whose interests may be directly affected by a decision so that they may participate in the hearing and shall be posted on the Judicial Branch website.

(h) Objection raised during the course of a criminal proceeding or trial to the photographing, videotaping or audio recording of specific aspects of the proceeding or trial, or specific individuals or exhibits will be heard and decided by the judicial authority, based on the same standards as set out in subsection (f) of this section used to determine whether to limit or preclude coverage based on objections raised before the start of a criminal proceeding or trial.

(i) The judge presiding over the proceeding or trial in his or her discretion, upon the judge's own motion or at the request of a participant, may prohibit the broadcasting, televising, recording or photographing of any participant at the trial. The judge shall give great weight to requests where the protection of the identity of a person is desirable in the interests of justice, such as for the victims of crime, police informants, undercover agents, relocated witnesses, juveniles and individuals in comparable situations. "Participant" for the purpose of this section shall mean any party, lawyer or witness.

(j) The judicial authority shall articulate the reasons for its decision on whether or not to limit or preclude electronic coverage of a criminal proceeding or trial, and such decision shall be final. (k)

(1) Only one television camera operator, utilizing one portable mounted television camera, shall be permitted in the courtroom. The television camera and operator shall be positioned in such location in the courtroom as shall be designated by the trial judge. Microphones, related wiring and equipment essential for the broadcasting, televising or recording shall be unobtrusive and shall be located in places designated in advance by the trial judge. While the trial is in progress, the television camera operator shall operate the television camera in this designated location only.

(2) Only one still camera photographer shall be permitted in the courtroom. The still camera photographer shall be positioned in such location in the courtroom as shall be designated by the trial judge. While the trial is in progress, the still camera photographer shall photograph court proceedings from this designated location only.

(3) Only one audio recorder shall be permitted in the courtroom for purposes of recording the proceeding or trial. Microphones, related wiring and equipment essential for the recording shall be unobtrusive and shall be located in places designated in advance by the trial judge.

(l) Only still camera, television and audio equipment which does not produce distracting sound or light shall be employed to cover the proceeding or trial. The operator of such equipment shall not employ any artificial lighting device to supplement

the existing light in the courtroom without the approval of the judge presiding over the proceeding or trial and other appropriate authority.

(m) Except as provided by these rules, broadcasting, televising, recording and photographing in areas immediately adjacent to the courtroom during sessions of court or recesses between sessions shall be prohibited.

(n) The conduct of all attorneys with respect to trial publicity shall be governed by Rule 3.6 of the Rules of Professional Conduct.

(o) The judicial authority in its discretion may require pooling arrangements by the media. Pool representatives should ordinarily be used for video, still cameras and radio, with each pool representative to be decided by the relevant media group. Participating members of the broadcasting, televising, recording and photographic media shall make their respective pooling arrangements, including the establishment of necessary procedures and selection of pool representatives, without calling upon the judicial authority to mediate any dispute as to the appropriate media representative or equipment for a particular trial. If any such medium shall not agree on equipment, procedures and personnel, the judicial authority shall not permit that medium to have coverage at the proceeding or trial.

(p) To evaluate and resolve prospective problems where broadcasting, televising, recording or photographing by media of a criminal proceeding or trial will take place, and to ensure compliance with these rules during the proceeding or trial, the judicial authority who will hear the proceeding or preside over the trial may require the attendance of attorneys and media personnel at a pretrial conference.

(q) In a homicide case involving sexual assault, the broadcasting, televising, recording or photographing by media of the trial may be permitted by the judicial authority provided the victim's family affirmatively consents to such coverage. As used in this section, "victim's family" shall mean a person's spouse, parent, grandparent, stepparent, aunt, uncle, niece, nephew, child, including a natural born child, stepchild, adopted child, grandchild, brother, sister, half brother or half sister or parent of a person's spouse

COMMENTARY—2020: The changes to this section and to Section 1–10B permit the judicial authority to allow media coverage of a homicide case involving sexual assault provided the victim's family affirmatively consents to such coverage. If any member of the victim's family objects to such coverage or if the victim's family cannot be identified or located, the judicial authority should not allow such coverage. As used in this section, "victim's family" has the same meaning as "relative" in General Statutes Section 54-201(4).
