The disability law section voted against this proposal 11-1 about a month ago.

I am the section chair. This email maybe a little late, but we had very little time to respond from the initial notice on Monday.

I note that the September 11, 2020 letter from the CBA to the Rules Committee did not state that the Disability Law Section opposed the amendment. I believe that our section should send an email to Joseph DelCiampo today informing him of that fact.

Below is information I just received. Our section opposed the proposed amendments to rule 8.4(7).

There is a lot of information in the attachment. I have not reviewed all of it.

Please contact Bill Chapman or myself if you have any comments.
