Good Afternoon,

The agenda is being developed now and will likely be decided on and posted tomorrow. For your information, typically when an item is considered for the first time, as this item would be, the Rules Committee refers the matter out for comments to those individuals and entities which it believes are interested in the subject matters. If you have such an interest and have comments or would like an opportunity to give comments, I suggest that you inform the Committee (through me) as soon as possible and I will inform the Committee.

Thank you.

Subject: Legal Services Proposal to the Rules Committee re: Removing Eviction Records from the Internet

CAUTION: This email originated from outside of the organization. Do not click links or open attachments unless you recognize the sender and know the content is safe.

Good morning Joseph,

I'm writing with a quick question regarding the Rules Committee's 12/13 agenda. Yesterday, four of the legal services organizations submitted a letter to the Rules Committee requesting to address the committee regarding their proposal to amend Practice Book Rules 7-10 and 7-11. The Connecticut Fair Housing Center and the Connecticut Legal Rights Project are considering submitting a supplementary letter and we want to make sure we're aware of any deadlines.

Can you confirm whether this proposal will make it onto the 12/13 agenda? And if it will be on the 12/13 agenda, if there is a deadline for submitting/circulating additional materials to the committee?

Many thanks,
Melissa
