Re: Proposed amendment to Practice Book §25-60A

Dear Justice McDonald:

General Statutes §46b-6a, which became effective on October 1, 2018, requires the court to follow a specified procedure when selecting qualified, licensed health care providers in any family relations matters in which the court has ordered treatment or evaluation of the parents, the children, or the family. I am writing to propose the following amendment to Practice Book §25-60A to incorporate the provisions of §46b-6a into the related Practice Book rule.

Sec. 25-60A. Court-Ordered Private Evaluations

(a) If the court orders a private evaluation of any party or any child in a family proceeding where custody, visitation or parental access is at issue, a qualified, licensed health care provider [state licensed mental health professional] shall conduct such evaluation.

NEW (b) If the court has determined that an evaluation can be undertaken and a qualified, licensed health care provider has been selected to perform the evaluation, the court's order for an evaluation shall contain the name of the provider who is to undertake the evaluation, the estimated cost of the evaluation, each party's responsibility for the cost of the evaluation, the professional credentials of the provider, the estimated deadline by which such evaluation shall be completed and submitted to the court, and the estimated fee of the provider for testifying in court. The estimated cost of the evaluation shall include, separately stated, the estimated fee of the provider for testifying in court.

NEW (c) Not later than thirty days after the date of completion of such evaluation, the provider shall file a report containing the results of the evaluation with the clerk of the court, who shall seal such report.

(d) [(b)] Notice of any orders relating to the evaluation ordered shall be communicated to the evaluator by the guardian ad litem or, where there is no guardian ad litem, by court personnel.

(e) [(c)] Until a court-ordered evaluation is filed with the clerk pursuant to Section 25-60 (b), counsel for the parties shall not initiate contact with the evaluator, unless otherwise ordered by the judicial authority.

(f) [(d)] The provisions of subsections (a) and (b) of Section 25-60 shall apply to completed private court-ordered evaluations.

The proposed amendment to subsection (a) substitutes the language used in §46b-6a – “qualified, licensed health care provider” – for the existing language – “state licensed mental health professional.” The new proposed subsections (b) and (c) include the specific §46b-6a requirements as well as an additional provision that the estimated fee of the provider for testifying in court be separately stated. Although §46b-6a does not require that the estimated fee for testifying in court be included in the court’s order, that information is essential. The evaluation report is not admissible in evidence under Practice Book §25-60(c) unless the provider is available for cross-examination. The parties should know in advance what they will be expected to pay for the provider’s testimony in court.

I have discussed the proposed amendment with Judge Albis. The text set forth above includes his suggested revisions to my initial draft.

I am not able to attend the meeting of the Rules Committee on Monday, February 11, 2020, but I would appreciate your adding this to the agenda for the meeting. If there are any questions in the meantime, I am available to discuss the proposed amendment with members of the Committee. Thank you for your consideration.

Sincerely,

Donna Nelson Heller
