Dear Sir/Madam,

I write to offer a comment on the new proposed Rule 8.4 (7). After reviewing the proposed rule, I consider it to be vague and ambiguous with the potential to impinge upon protected speech. My fear is that adopting this rule would adversely affect the open and candid exchange of ideas in the legal community and ultimately interfere with the quality of representation we offer our clients. For these reasons, I respectfully request the Rules Committee to reject this proposed rule.

Thank you,
