**Subject:** FW: Referral from the Rules Committee

Hello Joseph,

Linda referred this to me and I'm so sorry I didn't respond by 10/15. After discussion, OVS does not have an objection to this proposed change. We understand it will mean victim information may be available to the defense sooner, but we believe it will create a greater level of accountability during the pre-trial process, which will ultimately benefit everyone involved.

Thank you for seeking our input in this matter and please do not hesitate to contact us if you have additional questions.
