**Subject:** Statistics concerning the length of time between family short calendar hearings and the issuance of the corresponding decisions

Hi Joe,

Per our discussion, the system does not electronically relate outcomes to the underlying motion. Nor does it relate hearings to written decisions. Unfortunately, we cannot calculate the number days between an event and its corresponding ruling. If you have any questions related to this topic, please feel free to contact me.

Joe

Dear Joe,

At its meeting on October 21, 2019, the Rules Committee considered the attached proposal from Attorney Gary I. Cohen to amend Section 11-19 of the Practice Book concerning the time limit for deciding short calendar matters. After discussion, the Committee tabled this proposal until the November 18, 2019, meeting to allow me as Counsel to the Committee to inquire as to the availability of statistics concerning the length of time between family short calendar hearings and the issuance of the corresponding decisions. I understand from Judge Albis that you may have looked at this or a similar question in the past. Any information you can offer is appreciated. Thank you.
